**KRI CHRISTMAS REGATTA
IMPORTANT INFORMATION**

PLEASE ENSURE YOU SHARE THIS INFORMATION WITH TEAM MANAGERS, COACHES, ADULT SAFETY OFFICERS, PARENTS AND SUPPORTERS.

This notice contains important information on attending the KRI Christmas Regatta that we strongly recommend you read. For additional information covering all regattas, please use this [LINK](#).

REGATTA INFORMATION AND SAFETY BRIEFING

The pre-regatta Safety Briefing will be held via Zoom at **7:00pm via this [LINK](#)** on Wednesday 13th December. **Please be on time. Entering the zoom meeting will be prohibited from 19:02.** Remember that it is mandatory to attend the Safety Briefing. Entities who have not been briefed with the safety provisions shall not be permitted to take part in the regatta. Any amendments to the information provided in this document will be highlighted during the Safety Briefing.

TRAILER PARKING AND BOAT PARK ACCESS

The designated trailer parking plan will be uploaded onto the website during the week of the regatta, no later than Wednesday midday. Please ensure you print off the map and give it to your rowers so they know where to park.

Trailers can arrive on site from **10am on Thursday**. A parking marshal will be available until 6pm to assist you with the location of your designated parking spot. Please encourage drivers to arrive during this time.

Any trailers arriving outside of the 10am to 6pm slot must park in D2 (via Gate 2 on the right and first turn on the right, behind the Mighty River Domain offices). Trailers will then need to be relocated the following day to the correct allocated parking area. Trailers need to be removed no later than 8pm on the final day of the regatta. Should this not be possible, please contact Mighty River Domain info@lakekarapiro.co.nz requesting permission to remain on site longer.

Please note:

- Absolutely no car/tow vehicle parking is allowed in the Upper and Lower Campground Boat Park.
- Please ensure that no boats overhang (even by the slightest) into the road.
- Please do not place any boats on dumps in the road and/or on the pavement.
- We had two reported incidents in the Boat Park last year involving athletes traveling in the back of a Ute holding onto oars and athletes riding on a trailer while being towed. Please ensure the health and safety of all your athletes.
- Should space allow, you can erect a 3m x 3m gazebo immediately adjacent to your trailer. Please ensure that guy ropes do not restrict walkways.
- If you are allocated a trailer park on the island of Judd Lane, you can erect a 3m x 3m gazebo on the embankment between the Upper Boat Park and Lower Boat Park areas.
- Please do not erect any tents under trees along Judd Lane (these are deemed unsafe).

During the regatta, the Boat Park is limited to athletes and coaches only. People may be asked to present their coach pass as confirmation. As coaches, please assist us in managing others in the boat park and should you notice parents/supporters from your club in the boat park, please ask them to leave.

Towing Vehicle Pass

Each entity will be issued with one towing pass. This allows a tow vehicle or equipment spares trailer to park in the upper part of Judd Lane, whereafter overflow parking is in D2, using Gate 2, on the right. Please display the towing pass in the vehicle window. No vehicles can park in the Upper Boat Park or camping area, unless you have booked a campsite. The tow vehicle pass can be collected from the KRI Regatta Office.

SPECTATOR AND CLUB TENTS

Spectator tents can only be erected one day prior to the start of the regatta, and no earlier than **12:00** for this regatta.

Please note the following very important information:

- Should you have gas present in your tent, you **MUST** have a fire extinguisher **READILY** available.
- Please ensure that all the tent pegs are safely covered with an appropriate object to prevent injury.
- Please ensure no tent legs or guy ropes obstruct the emergency access paths or other tent sites.
- Please do not remove any bollards when accessing the spectator tent site with your vehicle and/trailer. Use the entrance points already opened.
- Please ensure all electrical equipment and cords being used have been tagged and tested and electrical WOFs are current where applicable.
- Please pick up litter in your allocated tent site area and do not leave any broken chairs or other equipment. Removal of any litter or discarded items will be directly invoiced to the entity.

In line with KRI's Waste Minimisation Policy and Waipa District Council's Zero Waste Policy, we request that spectator tents provide the necessary bins for use within the tent and that these are lined with a clear plastic bag. Various bins to sort into at the Sorting Station include: waste, recycling (this is further sorted into cardboard & paper; plastic bottles; glass & tins) and food.

This will enable quick delivery of your waste and recycling to the Sorting Station. Black bags arriving at the Sorting Station will need to be emptied and sorted into the correct bins accordingly.

Sorting Station Hours

The Sorting Station is located on the main spectator embankment next to the first set of ablutions.

Operating hours: From 10am until 30 mins post racing. Please drop off any bags outside of these times.

Tent Servicing Pass

Each entity that has booked a tent site will be issued with a Tent Servicing Pass. This pass allows vehicle access to the main embankment for the delivery of food and/or equipment for a **maximum of 20 minutes only**. After 20 minutes, the vehicle can be parked in the main public parking area by Gate 3. Please keep this ticket for the season.

SAFETY

You and your athlete's safety are our priority. Please ensure ALL participants are familiar with our requirements.

On Water Safety

Lake flow:

Lake Karāpiro is a public lake, and we share it with many other parties. There are two FLOW PATTERNS we must comply with:

When the Lake is **OPEN** TO THE PUBLIC, the flow pattern is:

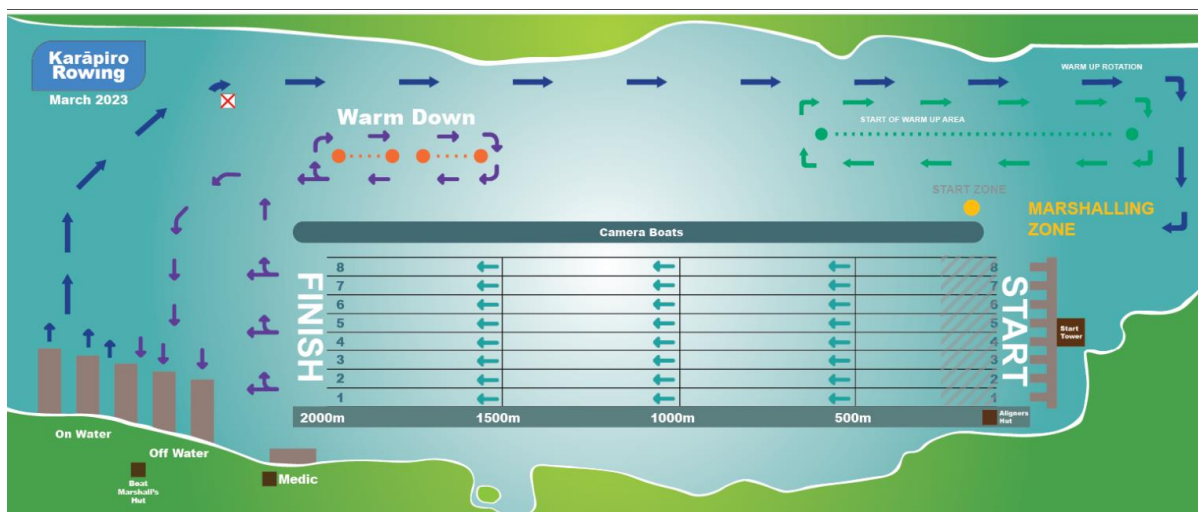

NO LAKE CLOSURE WITH OR WITHOUT BUOYED LANES IN POSITION

PLAN A

- IT IS UNLAWFUL TO UTILISE THE LANES IN A DOWNSTREAM DIRECTION AT ANY TIME (E.G. HEADING FROM THE START LINE TOWARDS THE FINISH LINE)
- IMAGINE THERE IS AN IMAGINARY LINE DOWN THE CENTRE OF THE LAKE. ALL VESSELS MUST KEEP TO THE STARBOARD (RIGHT) SIDE OF THE LAKE.
- USE PLAN A WHEN TRAINING OUTSIDE A LAKE CLOSURE.

When the Lake is booked by KRI, the Numbers Hut will be open and the Regatta Flags will be flown (RED Lake closed, GREEN Lake open). Any movement on the Lake will be supervised.

When the lake is **CLOSED** TO THE PUBLIC, the flow pattern is:

This map is also on the back of the numbers hut. If you have any queries about flow rotations, see other users not complying with the flow rotations or notice any safety issues of any kind, please contact the Safety Officer (details listed below).

TRAINING

There will be **midday – 15:00 on Thursday 14 December**. This is subject to KRI having enough volunteers to supervise training. Entities may need to provide coaches or suitable parents to assist.

For Planning purposes please email the Safety Officer, Greg via gpliddy@hotmail.com Please introduce yourself at the Numbers Hut to the Safety Officer from 11:30.

COMPLIANCE

Please ensure boats are compliant in line with the NZRA Rules of Racing 2023. Should boats not meet the minimum standard, they will not be allowed on the water until the identified problem has been resolved. Please support us in keeping everyone safe.

Compliance stickers

Please remove all old compliance stickers from boats prior to arrival at each regatta.

Cox Weigh In

Cox weigh in will be located in the Sir Don Rowlands. Coxswains are only required to weigh-in once for the regatta. Please remind them to keep their armbands on for the entirety of the event, or else they will be required to be fully weighed in again. Coxswains are to weigh in wearing a row suit or shorts and singlet/short-sleeved shirt combination without undergarments, such as thermals.

Uniform

Rowers must row in the colours registered to the entity that submitted the entries. Schools only race in school colours if they directly entered the regatta as a school.

Boat weighing

Scales will be available to **test** weigh your boats.

COACHES ROOM

The Sir Don Rowlands will be accessible for use by the Coaches.

CHECK CLEAN DRY

KRI will have a wash station set up outside the Green Shed; however, we encourage clubs to bring along their own hose pipes which can be connected to any of the Mighty River Domain taps. It is also suggested that you keep a container with the bleach solution in your trailer for absorbent materials to soak in during your travels home. Each entity will also be required to submit a Declaration form prior to the departure of the regatta. A separate email will be distributed in this regard.

REGATTA CONDITIONS, PENALTIES AND FEES

We request that all coaches review the Regatta Conditions, via this [LINK](#). We also encourage coaches to review the KRI Penalties and Fees document, which can be found using this [LINK](#).
