* Event receiving exhibition medals

Notes:

Ability events have been aligned to follow the NZCC blocks. Events have been shuffled within their blocks to ensure that events of the same grade do not clash. Events offered match the NZCC programme with the following differences:

- addition of Int and Nov 8x+
- addition of Club 4+ and 4x+
- Senior 8+ changes to Open 8+
- removal of U22 events
- Exhibition 2nd crew events for Nov and Int 4x+

Exhibition Second Quads:

These will run as a trial for 2024 with the following conditions:
To enter crews into 2nd 4x+ your entity must have at least one crew entered in 1st 4x+. If non-medical scratchings result in your entity having no crews entered into 1st 4x+, you will need to nominate a crew from 2nd 4x+ to take their place.

The aims are: to encourage development of depth beyond one top crew per grade; to aid retention; to reduce the need for timed heats; to enable second crews to compete against other second crews.

Coaches may opt to enter all crews into 1st 4x+ if preferred.
