IMPORTANT INFORMATION

PLEASE ENSURE YOU SHARE THIS INFORMATION WITH TEAM MANAGERS, COACHES, ADULT SAFETY OFFICERS, PARENTS AND SUPPORTERS.

This notice contains important information on attending the KRI Christmas Regatta that we strongly recommend you read.

REGATTA INFORMATION AND SAFETY BRIEFING

The Regatta Information safety briefing will be held on **Tuesday 9 December 2025 at 6:45pm** via a Microsoft Teams Webinar.

If the safety officer recorded in rowIT becomes unable to attend the safety briefing, the entity must notify KRI of an alternative safety officer by email to safety@karapirorowing.com prior to the start of the regatta. The appointed safety officer as above must attend the safety briefing and must fulfil the safety officer's obligations under the Rules for the duration of the regatta. **Please note that the Safety Officer must be present at the regatta.**

All safety officers and any other interested parties should preregister for the Webinar **in advance** using the following **[REGISTRATION LINK](#)**. A joining link to the Webinar will then be automatically emailed.

Please be on time. Entering the meeting will be prohibited from 6:50pm. Remember that it is mandatory to attend the Safety Briefing. Clubs that have not been briefed with the safety provisions will not be permitted to take part in the regatta. Any amendments to the information provided in this document will be highlighted during the Safety Briefing.

TIME TRIALS

There will be a MANDATORY briefing for all athletes competing in the Time Trials, taking place on Thursday in the Sir Don Rowlands Hall.

For athletes coming in the Premier Events (Premier 1x and Premier 2x) the briefing will take place at 11am. For all other Time Trialists, the briefing will take place at midday.

MEASLES & INFECTIOUS DISEASES

All Clubs / Schools are to take responsibility within their own Health and Safety plans to manage their athlete's health including immunisations and the spread of any infectious diseases.

Please DO NOT ATTEND any EVENT at Lake Karapiro if:

You are sick or show symptoms of measles – instead, stay home and seek healthcare advice from your doctor, healthcare professional, Hauora Māori provider or Pacific health provider. You can also call Healthline on 0800 611 116 anytime for free advice and support.

If you are not immune to measles and measles is currently circulating in your area, please carefully consider if you need to attend. This is because measles can spread easily to anyone who is not immune.

If you become unwell during the event, or are concerned about someone else, please seek medical assistance immediately and follow any health advice. You may need to return home or to your accommodation and isolate from others.

Please inform the Chief Safety Officer directly if any positive cases of measles occur in your squad while at Lake Karapiro or afterwards for a period of 7 days.

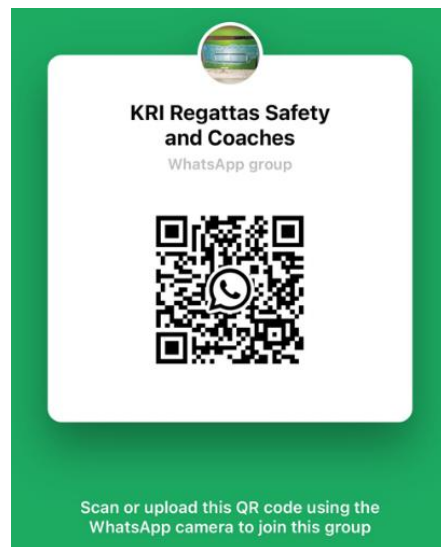

You can also call **Healthline anytime on 0800 611 116** for free advice and support.

Thank you for helping us keep the regatta safe for everyone.

MANDATORY TIME TRIAL BRIEFING

A mandatory in-person briefing detailing the time trial procedure will be held on Thursday 11 December at midday in the Sir Don Rowlands Hall. All age-group crews and coaches entered in the time trial events **MUST** attend this briefing. A roll call will be taken, and failure to attend may result in crews being ineligible to race.

POINTS OF INTEREST

OPERATIONS CENTRE

For this regatta we will be operating out of the Karāpiro Room. The Karāpiro room is directly above the Waipa Room next to the Tower (see map) and access is via the steps on the Finish Tower side of the Don Rowlands Centre.

TRAILER PARKING AND BOAT PARK ACCESS

The designated trailer parking plan will be uploaded onto the KRI website no later than Tuesday 9 December 2025. Please contact boatpark@karapirorowing.com if you have any enquires. Please ensure you print off the map and give it to your trailer-towers, so they know where to park.

Trailers can arrive on site from **9am on Thursday 11 December**. A parking marshal will be available until 6pm to assist you with the location of your designated parking spot. Please encourage drivers to arrive during this time.

Any trailers arriving before 9am or after 6pm on Thursday 11 December must park in D2 (via Gate 2 on the right and first turn on the right, behind the Mighty River Domain offices, see map above). Trailers will then need to be relocated the following day to the correct allocated parking area.

Trailers need to be removed no later than 8pm on the final day of the regatta. Should this not be possible, please contact Mighty River Domain info@lakekarapiro.co.nz (CC: operations@karapirorowing.com) requesting permission to remain on site longer or arrive earlier.

Very Important Boat Park Information:

- Absolutely no car/tow vehicle parking is allowed in the Lower or Upper Boat Park.
- Ensure that no boats overhang (even by the slightest) into the road or onto the cycle path.
- Do not place any boats on dumps in the road and/or on the pavement.
- Please ensure you bring and use chocks for your trailer.
- Should space allow, you can erect a 3m x 3m gazebo immediately adjacent to your trailer. Ensure that guy ropes or ergs do not restrict walkways nor encroach on your neighbours.
- If you are allocated a trailer park on the island of Judd Lane, you can erect a 3m x 3m gazebo on the embankment between the Upper Campground and Lower Boat Park areas.
- Do not erect any tents under trees along Judd Lane (these are deemed unsafe).

Some boat racks in the boat park are initially left down to allow trailer access. Please ensure that your athletes do not erect them. KRI will do so.

Tow vehicles are not allowed in the Boat Park until racing completes. In the unlikely event that you need to access the Boat Park during racing; you must contact the Event Manager or Safety Officer for permission. If permission is granted you will require escorts on ALL corners of the vehicle / trailer.

During the regatta, the Boat Park is limited to competitors and coaches only. People may be asked to present their coach pass as confirmation. As coaches, please assist us in managing others in the boat park and should you notice parents/supporters from your school in the boat park, please ask them to leave.

Support Vehicle Pass

Each club will be issued with ONE support pass. This allows a vehicle, or equipment spares trailer to park in the upper part of Judd Lane, overflow parking is in D2, using Gate 2, on the right. Please display the pass in the vehicle window. The pass can be collected from the KRI Regatta Office. Please retain your pass for the duration of the regatta; replacement passes will be issued at the cost of \$7 **per regatta day** for the remainder of the season.

SPECTATOR, CLUB & DAY SITE TENTS

- Removal of any litter or discarded items will be directly invoiced to the club.

In line with KRI's Waste Minimisation Policy and Waipa District Council's Zero Waste Policy, we request that spectator tents provide the necessary bins for use within the tent and that these are lined with a clear plastic bag. The various bins to sort into at the Sorting Station include waste, recycling (this is further sorted into cardboard & paper; plastic bottles; glass & tins) and food. This will enable quick delivery of your waste and recycling to the Sorting Station. Only transparent bags will be accepted; these must be sorted into each type of recycling. The Sorting Station is located on the main spectator embankment next to the ablutions and will be open from 8am to the end of racing.

Please remember that this station is supervised by Volunteers. Support them in distributing your waste responsibly.

SAFETY

You and your competitors' safety are our priority. Please ensure ALL participants are familiar with our requirements.

ON WATER TRAFFIC FLOW

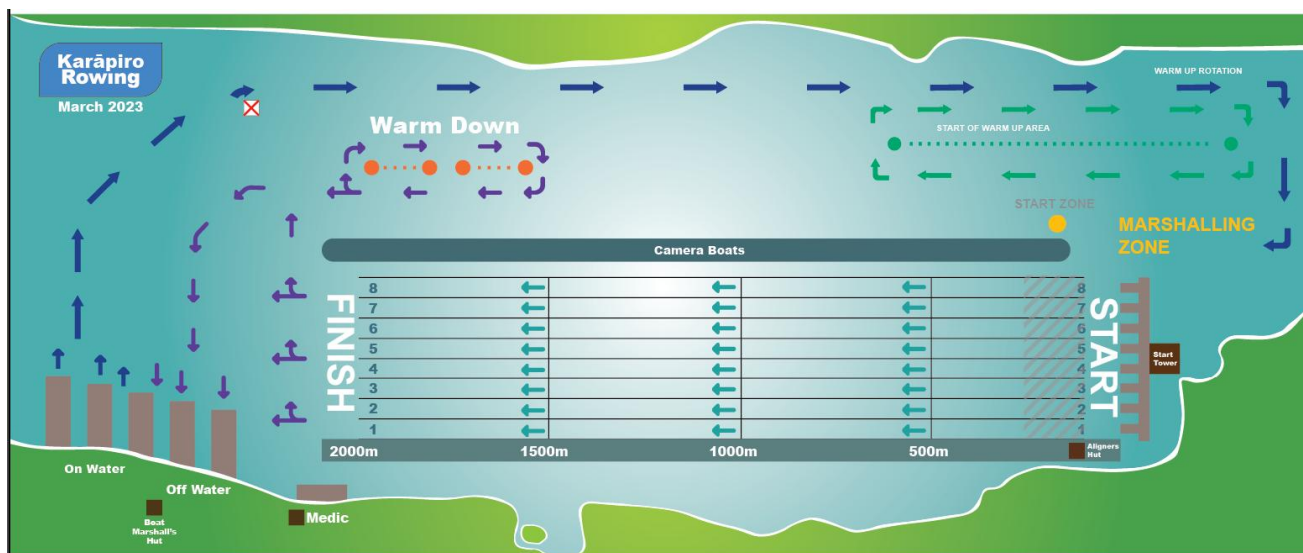

Lake Karāpiro is a public lake, and we share it with many other parties. There are two FLOW PATTERNS that we must comply with:

1. When the Lake is **OPEN** TO THE PUBLIC, the flow pattern is:

When the Lake is booked by KRI, the Numbers Hut will be open and the Regatta Flags will be flown (RED=Lake closed, GREEN=Lake open). Any movement on the Lake will be supervised.

2. When the lake is **CLOSED** TO THE PUBLIC, the flow pattern is:

Please note: Practice starts are to be conducted in the warmup area (Green lines) and NOT the marshalling area.

This map can also be found on the back of the Numbers Hut. If you have any queries about flow rotations, see other users not complying with the flow rotations, or notice any safety issues of any kind, please contact the Chief Safety Officer (details listed below).

TRAINING

There will be supervised training available from **10am – 5pm on Thursday 11th December**. This is subject to KRI having enough volunteers to supervise training. Entities will need to provide coaches, adults or Senior Students to assist. Volunteers will require:

- Suitable clothing for the conditions
- Closed-in toe shoes (clogs permitted with heel strap up)
- Full briefings and equipment supplied.

The Racecourse and Start Pontoon will only be available between 1000-1230.

Time Trials will occupy the Racecourse from 1300-1630.

Training will be around the Northern Pylons to the North of the Finish Line between 1300-1600.

For planning purposes, please email the Chief Safety Officer (Greg) at safety@karapirorowing.com should you wish to train during these times. Please introduce yourself at the Numbers Hut to the Safety Officer from 9:30am.

COMPLIANCE

Please ensure boats are compliant in line with the [RNZ Rules of Racing](#). If boats do not meet the minimum standard, they will not be allowed on the water until the identified problem has been resolved. Please support us in keeping everyone safe. **Crews will be asked to conduct safety checks on their own boats in the presence of a Licenced Race Official.**

Boat Marshal

There will be limited calling of races. Assume the Regatta is on time and be at the Start in good time for your race.

Cox Weigh-In

Cox weigh-in will be in the KRI Shed (formerly the Green Shed).

Coxswains must weigh in pursuant to Rule 21.5(a)(i) of the [Rules](#) **not less than one hour and not more than two hours before their first race of the regatta**. For the purposes of this clause, if a crew chooses not to race an optional preliminary heat, that race will **NOT** be considered the coxswain's first race.

Additional notable points:

- Please use the test scale provided to test weights. This is located by the entrance. Weights will not be allowed to be test weighed/adjusted when weighing in.
- Should there be a queue that might result in a late weigh-in, please attract the attention of one of the KRI volunteers.

Boat Weighing

Scales will be available to **test** weigh your boats in the KRI Shed (see map above).

Uniform

Rowers must row in the official colours of the entity they are entered to represent at the regatta.

Coaching During Racing and Technological Devices

Competitors and coaches must comply with Rule 65 of the [Rules](#), noting Rule 65.3 that a crew receiving coaching while racing, with the use of a technological device, may be Excluded from the event.

Under Rule 65.2 of the [Rules](#), the Organising Committee may require crews to carry on their boats such equipment as it considers desirable for the better promotion of the sport of rowing (e.g., mini-cameras, microphones, GPS, etc.) provided that such equipment is identical in weight and location for all boats in a race.

MEDICAL WATCH /STAND DOWN

A Medical Stand Down Certificate is issued by the on-site medics for a competitor who is too ill or injured to be able to complete their next race. **This competitor is then not allowed on the water for the remainder of the regatta unless they have been cleared to row. They must be removed by their club from all their events by submitting medical (zero fee) scratchings and/or medical substitutions.**

A competitor who is medically substituted out of crews can be reinstated, but only once an independent registered medical practitioner assesses them as restored to health from the above illness/injury and written evidence of this is provided to Regatta Control (regattacontrol@karapirorowing.com).

Guidelines on Medical Stand Down Certificate

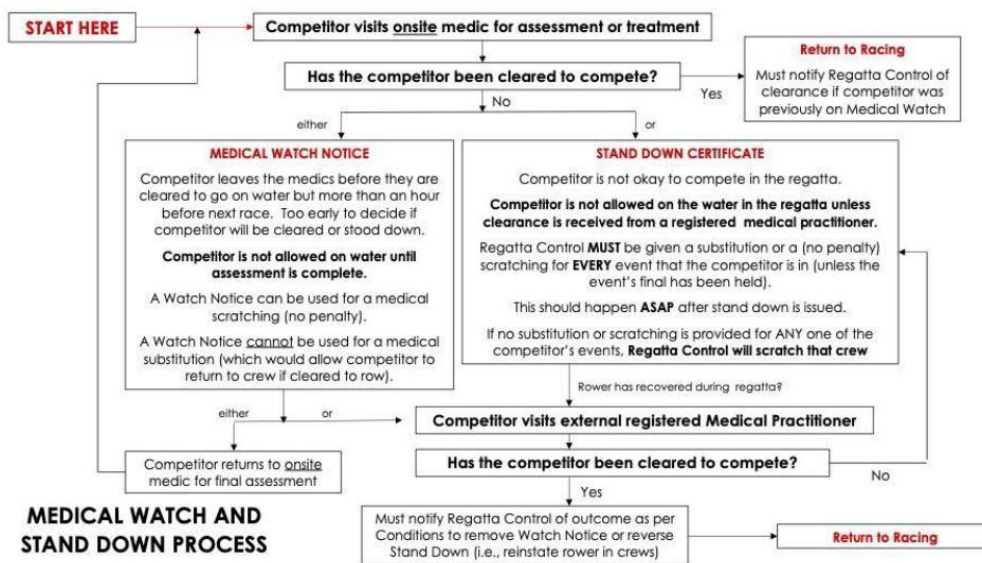

- When a stand down medical certificate is issued by the on-site medics, the competitor is not allowed on the water again at the regatta.
- The competitor needs to be scratched or substituted out of all their remaining crews (though the substitutions can be reversed if a medical clearance is accepted by Regatta Control).
- Regatta Control will accept the medical stand down certificate as medical evidence of injury or illness allowing a medical substitution to be made to replace the crew member in their crews. It can also be used to support a medical (zero fee) scratching.

Medical Clearances

- There is provision for a competitor who has been granted a medical substitution out of crews to be reinstated into those crews.
- Reinstatement of a competitor requires medical evidence the competitor has been restored to health. It has already been accepted the competitor was recently too injured or unwell to compete, so a precautionary approach is taken to allow them back on the water.
- Medics are not on site to undertake such assessments. Medics will not certify a competitor has been restored to health.

- Instead, competitors must be assessed by a registered medical practitioner with a relevant competence. The competitor must be assessed to have sufficiently restored to health from the injury or illness that warranted them being replaced in their crews. They will need to submit that assessment to Regatta Control.

The following flow chart illustrates the medical stand down and watch process.

CHECK CLEAN DRY

KRI will have a wash station set up outside the KRI Shed; however, we encourage clubs to bring along their own hose pipes which can be connected to any of the Mighty River Domain taps. It is also suggested that you keep a container with the bleach solution in your trailer for absorbent materials to soak in during your travels home. A separate email will be distributed in this regard.

All boats must be washed before arrival and departure.

- Boat driving and Safety Boat spotting
- Coxswain weigh-in
- Marshal Hut
- Office based duties, e.g., selling day sheets or programmes, taking scratchings, etc.
- Are you a numbers and details person? Then there are roles in the tower on the judges' floor that would be perfect for you!
